

VEUVE DU VERNAY

www.veuve-du-vernay.com

Veuve du Vernay is a reflection of the French way of life; sophisticated, spontaneous, romantic, elegant and chic. Sparkling wine has long been a part of everyday French life; an aperitif, a wine that encompasses the French «joie de vivre» in every glass.

The grapes that are selected to make our Veuve du Vernay Wines sparkle are nurtured in some of the most romantic vineyards in the world. Our winemakers use their expertise (and a sprinkle of love) to create crisp and complex flavours from a blend of grapes.
