HOSPICES DE BEAUNE

The story of the Hospices de Beaune begins in 1443 under the leadership of Chancellor Nicolas Rolin. Today, the reputation of the Hospices de Beaune, its vineyards and its auction is international.

Since the 1950s, the PATRIARCHE Wine Company has contributed to the development and success of the auction, buying about 1/3 of the auction ! In 2011, Patriarche continued the tradition by buying barrels from prestigious parcels.

The house of Burgundy PATRIARCHE has been selling top wines for over two centuries. The name of Patriarche Père et Fils is a byword for tradition, a sure sign of quality and expertise. It goes back to Jean-Baptiste Patriarche, who founded the firm in 1780. Wines sold under this label are purchased by Patriarche from winegrowers and then aged in our cellars in Beaune. Patriarche then bottles the wine and sells it all over the world. The wines of Patriarche Père et Fils are the perfect illustration of our art and expertise as traditional shippers.

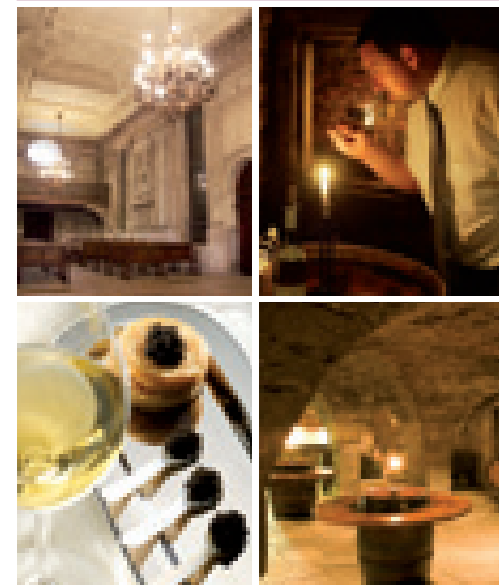

Patriarche Père et Fils has been located in the former 17th century Couvent des Visitandines (Visitation Convent) since...

Noémie Vernaux

Since she was a child Noémie Vernaux had a passion for wine-growing and founded in 1851 the Wine Company that today still bears her name.

Dedicated to the traditions of her ancestors, she consecrated her entire life to deepening the Burgundy wine-making knowledge and savoir-faire that were her heritage.

Adeventurous and enterprising, she pursued that centuries-old exporting tradition of the « Wine Trail » opened up by the Burgundy wine merchants.

Noemie Vernaux's spirit is still alive and her name is now a symbol of quality and reliability.

Tradition ... and Passion of a world-minded Lady.

In 1955, Patriarche decided to compete against champagne by offering consumers an elegant sparkling wine with a unique recipe, yet affordable to all. And so, KRITER was born...

Over the following decades, the brand became instantly successful and travelled the world, particularly on the sailboats which bore its name while they travelled the seas.

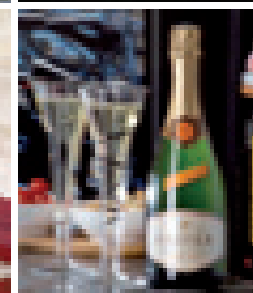

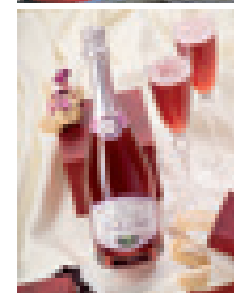

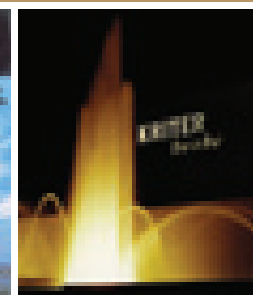

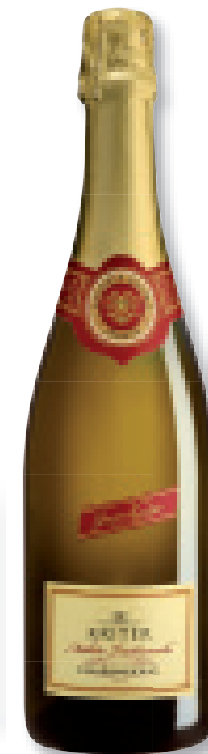

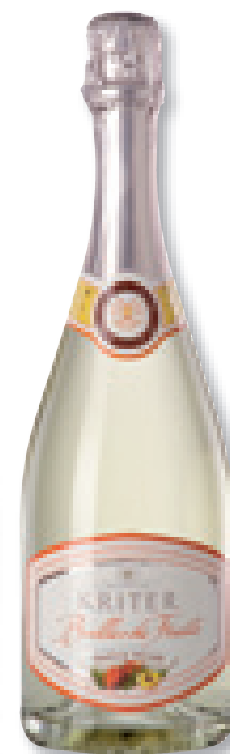

Today, KRITER remains unmatched and is the best-known brand of sparkling wine in France.

Whether it is a Blanc de Blancs, a Rosé or even a flavoured sparkling wine, KRITER always promises consumers «beautiful moments to be celebrated, without a lot of fuss».

The grapes that are selected to make our Veuve du Vernay Wines sparkle are nurtured in some of the most romantic vineyards in the world. Our winemakers use their expertise (and a sprinkle of love) to create crisp and complex flavours from a blend of grapes.
